Science Meets Wellness

Brand Ambassador Tools

YOUR NEXT STEPS

Homework Assignments

STEP 1: Congratulations on starting your new business with Three. Get ready for a wellness journey that will better you, your family, friends and many others in the area of physical, financial, and spiritual wellness. While our life-enriching products nurture our body, the financial rewards plan gets people excited to dream and dream big. To achieve sustainable success, it is important we identify our “WHY”. Your “WHY” will define your commitment and keep you consistent and persistent in the pursuit of your goals and dreams. Review your “WHY” with your sponsor and team leader. See page 5 for further guidance.

STEP 2: Watch the NDO (New Distributor Orientation) video on our SparkGlobal Youtube channel.

NDO Video

Youtube.com/@sparkglobal.system

Find it under: Playlist / Empowerment Tuesday

STEP 3: Your network is your net worth. People are your greatest asset and creating your list of contacts is important. See page 6 for further guidance.

STEP 4: What are your short-term goals? Write down your short-term goals for the next 6 months that works toward your “WHY”. See page 5 for further guidance.

STEP 5: Schedule an appointment with your upline 3 Star Leader to go over your ACTION PLAN: ___/___/___

Welcome to our global community.

We are a group of diverse and multi-cultural entrepreneurs from all walks of life that are collaborating in creating the wellness movement. You are embarking on a journey of self empowerment and self-discovery in physical and financial wellness. Remember, you are in business for yourself but not by yourself. We look forward to working with you and hearing your success stories.
