

# Visage

## Super Serum

---

Visage Super Serum by THREE, a neurocosmetic, recognizes the profound link between skincare rituals and the way you feel. From the first use, skin is soft, velvety smooth, and radiant. Over time, you will notice a visible reduction in wrinkles and expression lines, as well as visually enhanced skin tone, leaving behind a hydrated complexion that glows with health and vitality. This groundbreaking formula not only nourishes your skin but also helps you feel great, ensuring each application is a delightful experience.

### Features & Benefits

---

- Provides a visible reduction in wrinkles and expression lines.
- Supports a hydrated complexion and enhances skin tone.
- Nurtures existing healthy skin and supports skin comfort.
- Tackles environmental factors that affect skin over time.
- Enhances overall sense of well-being with every application.

## THREE Miracle Elixir

At the heart of this revolutionary Super Serum lies THREE's MIRACLE ELIXIR, meticulously crafted with clinically tested ingredients, designed with a holistic approach, and focused on delivering results that can be seen with each application.

### Coriandrum Sativum

Supports skin comfort and wellness, enhancing resilience to environmental factors.

### Zanthoxylum Alatum

Nourishes and hydrates, promoting a healthy glow and appearance.

### Helianthus Annuus

Naturally supports the longevity molecule NAD+: supporting skin health and vitality, promoting natural rejuvenation processes.

### Vitex Agnus-Castus

Enhances skin elasticity and hydration supporting collagen production.

## High-Performing Ingredients

### Allantoin

Enhances skin's moisture retention, providing a smoothing effect that visually minimizes the appearance of aging.

### Squalane

Promotes moisture retention, enhances suppleness, and provides a silky-smooth texture.

### Bakuchiol

Supports collagen synthesis, reduces visual effects of UV exposure, leaves skin feeling smooth and hydrated, minimizes the appearance of fine lines and wrinkles and provides antioxidant benefits, all without causing irritation.

### Vitamin C

Enhances skin's appearance by giving a brightening effect, supporting collagen production, and providing antioxidant support against environmental stressors.

### Ingredients:
